

ww-TSS-WFRE-2000

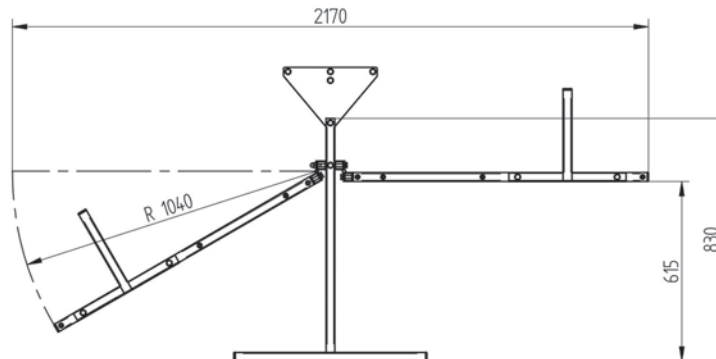

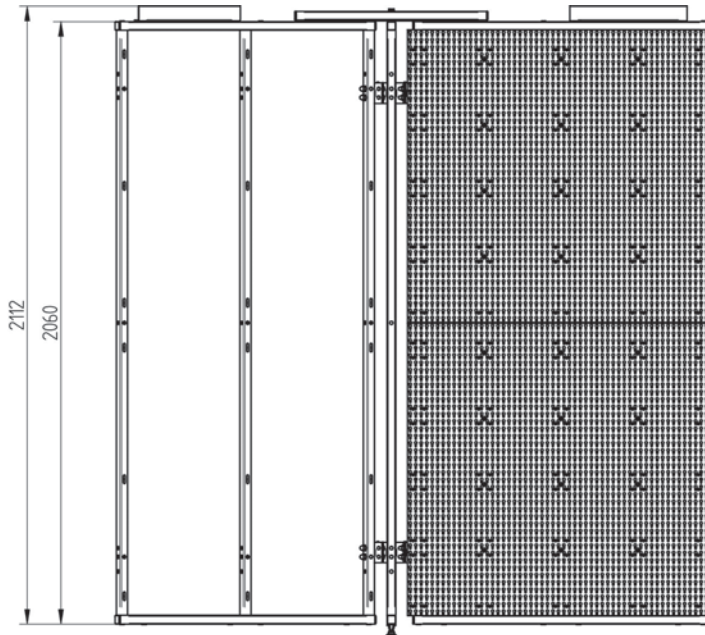

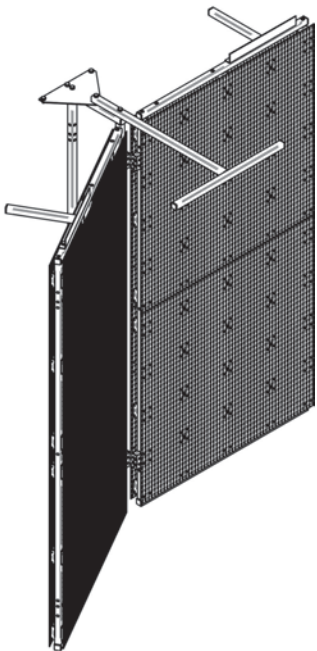

Wing Frame Rack (Extension Module)

ISO9001 : 2008
Made in Eichstätt / Germany

The Wing Frame Rack Extension Module with a space of 8 m² allows you to hang up extra 400 pieces of special tools and kits.

The Extension Module can be ordered additionally to the Wing Frame Rack Kit and can only be attached to this kit. It can not be used alone.

The extension module can be assembled easily with a few connection ports.
